Due to the increased costs of ice time and travel, the cost for registration is now \$150 for EACH athlete (2 athletes in a family - \$300). Pushers, coaches and any on-ice parent/volunteer is \$35 to register. \$35 per person goes to USA Hockey and NYS Amateur Hockey Association for insurance and the balance helps defray the cost of ice time (\$30,000 for the current season with \$40,000 anticipated for the '08-'09 season). We ask that you provide shoulder pads, throat protectors, elbow pads and practice gloves (all mandatory). We will provide sleds, sticks, tournament helmets and gloves, tournament and practice jerseys.

Please make all checks payable to: LI Sled Hockey, Inc. and either mail them to me at: 33 Harding Ave., Lynbrook, NY 11563 or give them to Peggy at practice. REMINDER: All registration monies MUST be in by September 1st, 2008. Anyone not paid will not be allowed on the ice for our first practice on September 3rd.

Good luck and let's have another great season. We all share in thanking our athletes.

Thank you,

Bryan
